

PRODUCTION AND OPERATIONS MANAGEMENT ASSOCIATION OF THE PHILIPPINES

PROPAK Conference on "SMART MANUFACTURING... Are you ready?"

Symposium 1: 10:00 am – 12:30 pm

"MOTION CONTROL PACKAGING"

PROMAP shows Nexus Integration of a wide range of products, functions and complete solution packages. One valve technology, a powerful controller by FESTO

Registration Starts at 9:30 am

Symposium 2: 1:00 pm – 3:00 pm

"INGENIOUSLY PRACTICAL CHECKWEIGHING"

The choice of checkweighing system and portioning scales used in production lines are usually dictated by application requirements, traceability & compliance, economic factors and the need for brand protection. PROMAP will share how OHAUS can give you practical solutions for your complex needs.

Registration Starts at 12:30 pm
